

## **Clifford Black - IL**

I am interested in serving on the USODA Board of Directors being well suited for involvement on the Regatta Committee.

I am a World Sailing International Judge and US Sailing National Judge and Umpire. My race management certifications, committee level positions, and instructional experiences will support the Regatta Committee.

My USODA regatta, race committee, and judge experiences includes all fleet concentrations and team racing. I hold the fairness of competition as paramount, mindful of the dynamics among youth competitors, coaches, and parents. USODA Sustaining Member, Board of Directors, Regatta Committee Co-Chair.
